RE: Politician Films

To Whom it May Concern:

This letter is to confirm that IGNITE has retained Prettybird to produce Politician Films on our behalf, filming on April 11, 2018. Any fees waived and or reduced by FilmL.A. and the City of Los Angeles for this projecy will result in an equivalent reduction in cost to IGNITE.

Intentions of project:
Empower young girls and women, who are ready to own their fair share of political power, to get involved by encouraging them to run or vote. Here's why: Women make up 51% of the population, but are dramatically under-represented in political leadership. If women are going to acheive political parity in this century, we need to harness the political energy of young women, who are at the forefront of activism right now. *Politician Films* is a campaign featuring PSAs based on sexist quotes about women into plots for satirical, nonpartisan short films, made by female directors. All will be made with the same message: If we don't run, they write the rules.

Warmly,

Anne Moses
